

VISITOR GUIDELINES

Thank you for your interest in visiting the **Institute for Studies on Latin American Art (ISLAA)**.

In compliance with New York State **COVID-19 health and safety guidelines**, ISLAA will be observing the following protocols:

- A maximum of 2 visitors is allowed in the space at a time.
- Each appointment is 30 minutes in duration.
- Visitors and staff must wear face coverings. Face masks are available if needed.
- Visitors and staff must maintain at least 6 feet of distance between each other at all times.
- Each visitor will have their temperature checked upon entry. If their temperature is above 100 degrees Fahrenheit, they will be asked to return another time.
- Each visitor will be required to sign a COVID-19 waiver and contact form upon entry.
- Hand sanitizer will be provided for visitors.
- A coatrack is available for storing bags and outerwear.
- A restroom is not available for visitors' use.
- Food and drinks are not allowed.
- High-touch areas are sanitized after before and after appointment.
